SOUTH LAKE PRIMARY SCHOOL

VOLUNTARY CONTRIBUTIONS AND COSTS TO PARENTS 2027

The South Lake Primary School Board has endorsed the Voluntary Contributions and Costs to Parents for 2027.

Voluntary Contributions

School Education Regulations 2000 and School Education Act - Section 99

Cash or EFTPOS accepted

$60 per child. Capped payment of $150 for families with three or more children.

At South Lake Primary School, we are committed to providing engaging and high-quality learning experiences for all students. Voluntary contributions help enhance teaching and learning programs across all curriculum areas by providing additional resources, textbooks, materials and educational opportunities for students, supplementing funding provided by the State and Commonwealth Governments.

While voluntary contributions are not compulsory, the support of families enables the school to further enhance the learning opportunities available to students. Every contribution, regardless of size, is greatly appreciated and helps us provide the best possible learning environment for our students.

Please Note - We understand the cost-of-living increases have put pressure on many families, and we are happy to work with you to arrange a payment plan if required.

Please contact our friendly office staff to discuss options. All details will be kept with the strictest confidentiality.
